

## Storage of luggage and valuables at the dormitories of the ICT Prague

### Operating Rules

- 1) Students staying at the dormitories of the ICT Prague have the opportunity to store valuables at the reception and luggage in the defined area of the dormitory - luggage storage.
- 2) The operation of the depository is ensured by the reception of the relevant dormitory.
- 3) Operating hours:  
Monday - Sunday from 7:00 to 22:00
- 4) The stored item is entered in the "Book of Depository" and provided with a number; the student will receive a copy of the number with a stamp and signature.
- 5) Luggage must be secured against free opening; the operator (ICT - SÚZ) is not responsible for their content.
- 6) The luggage storage areas are intended for storage for the necessary time; the expected date of baggage collection is entered in the Custody Book.
- 7) Baggage and valuables that will not be collected within 2 weeks after the specified date will be handed over to the operational department of the ICT - SÚZ for further proceedings.

In Prague on September 1, 2021

Ing. Stanislav Starý  
ICT Prague, AUF  
director

*Note:*

*The detailed wording of the instructions for the activities of safekeeping of valuables and luggage at the dormitories of the ICT Prague is given in the Director's Order No. 2/2007 of 15 January 2007.*
