Accommodation

How do I pay the accommodation fee?

The accommodation fee is payable in cash or by a credit card in the box office in the Sázava dormitory by the end of each month. It is also possible to pay the fee for several months in advance or for the whole stay. If you do not pay the fee in time you will have to pay a fine.

Please do not wait until the last day of the month to pay the fee in order to avoid queues.

What do I need my UCT ID card for?

Your UCT ID is not only to prove your identity when entering the dormitory (if the dormitory is closed, use a card reader at the door), but also when paying the accommodation fee in cash, when your visitors are recorded for registration reasons, when borrowing the keys of laundry/vacuum cleaner/fitness room/study room etc. **When and where can I change my bed sheets?**

You may change your bed sheets once a week during openings hours of the offices (Sázava: office on the left at the entrance into the dormitory Sázava; Volha: storage room in -1st floor).

How can I move to another room or dormitory?

If you want to move to another room or dormitory please contact your dormitory coordinator.

Upon agreement of Accommodation office you will be informed how to proceed. **Can my friends or parents stay overnight in my room?**

Of course, they can. You have two possibilities: either in your room for a fee of CZK 60 (maximum length of 3 day) paid at the reception or in free room for them in the hotel part in Volha dormitory for a fee from CZK 680/person/night.

For booking a hotel room please contact: jana.hronova@vscht.cz or your dormitory coordinator.

I want to move out of the dormitory before my accommodation contract expires, how should I proceed? If you want to move out before your accommodation contract expires, you have to report your exact leaving day to the accommodation office in the dormitory more than one month in advance otherwise you will have to pay a contractual penalty of CZK 3.000.

How can I move from the dormitory?

When I receive my deposit of CZK 7.000?

Firstly, you have to go to pay the accommodation fee in the cash or by card office with Protocol of handover of the inventory (yellow paper) filled when you moved in the room. Then you have to sign on the list (name, room number and time) next to the cleaners' room (Sázava: 4nd floor, Volha: 9th floor). You have to clean your room, move the furniture back to its original position. At the arranged time, the cleaner will check your room. If everything is clean and not destroyed, the cleaner confirms the yellow paper. You will give her the keys from your room and the cleaner will lock the door. Go to the Accommodation office, give there the bedclothes and the yellow paper that the cleaner filled in. You will receive a confirmation that your contract is OK and that you can get back your 7.000 CZK deposit cash or by card. You have to pick up your deposit in the box office in Sázava dormitory during the opening hours./If you live in Volha, you pick up your deposit in Volha office.
